INSIDE

Wyandotte High School is growing, expanding, and constantly changing in order to keep up with the needs of students. Each year new programs are added to challenge students both academically and physically.

Classes, activities, organizations, events, awards, assemblies, sports events, and special friends are all included within the pages that follow, and the yearbook staff has tried to create an INSTANT REPLAY of student life during the 1980-81 school year.

They are all here, so sit back and enjoy the INSTANT REPLAY of 1980-81.

Mrs. Pirrong teaches first grade, and needless to say, she keeps very busy.

She is active in the Wyandotte Education Association, having served as president for two years and as treasurer for one year. She is also a member of the Ottawa County Educators for Political Action Committee, the Oklahoma Education Association, and the National Education.

Mrs. Pirrong holds a Master of Science degree and a Reading Specialist Certificate. She has been teaching eight years.

Her winning smile and consideration for others are traits that have won Mrs. Pirrong the admiration and respect of those around Wyandotte Public Schools. She was, indeed, an excellent choice for the 1980-81 Teacher of the Year.

GRANDPARENTS

Pictured at the bottom of the page are grandparents who helped the faculty members. In front, Mrs. Eva Easley, Mrs. Thelma Voiles, Mrs. Doris Wright, Mrs. Alice Lamb, Mrs. Fannie Marshall, and Mrs. Hazel Huxall. In back is Mr. Harley Garner, Mr. Tommy Shapp, Mrs. Ada Sample, Mrs. Rachel East, Mrs. Grace Bowen, and Mrs. Pauline Platner. Mrs. Inez Carter is not pictured.

JUNIOR HIGH FOOTBALL

The freshman football team has not been defeated for four years, and in this 1980-81 season, they finished with a 7-0 record.

Quapaw scored the only touchdown against them on a kickoff return.

Looming ahead of these athletes are three more years and the ultimate goal - STATE CHAMPIONSHIP.

BEARS WIN IN STATE PLAYOFFS

The Bears walked away from the 1980 football season with two beautiful plaques and a great deal of pride in the fact that they reached the state

semi-finals. This was the first year since 1962 for the Bears to play in the state finals.

Their season record was 9-4.

OKLAHOMA DAY

APRIL 22, 1981

Elementary students dressed in costumes to fit the occasion, and students with the most authentic costumes received certificates.

Wyandotte "pioneers" celebrated "Oklahoma Day" by simulating the first land run of 1889.

The fifth grade students began the "run" at 12 noon. However, some of the sixth graders went at 11:45 a.m. to stake their claims. These "sooners" didn't wait for the twelve o'clock gun to be fired.

After the "run" students toured the recreated city of Guthrie, bought things from the General Store, and participated in games. They were also entertained with a program of Indian dancing.

Where's The Ball?

The energy picture for our future doesn't have to be dark. We at Empire District are determined to meet our customers' energy needs with efficient, economical service.

But we need you on our team. without the proper conservation of this energy resource, we could really fumble the play.

Turn off lights and power equipment when not in use. Keep room temperatures set according to national guidelines. Help keep your home tight against energy loss

We can win this game if we all pull together. So come on,
"Let's play ball".

SCHOOL DISMISSED. . .

When students walked out the doors on the last day of school, they took many memories with them; memories of sports events, assemblies, and friends that will never be forgotten. The yearbook staff members have tried to create an Instant Replay of these memories.

We would like to thank our advertisers for their continued financial support, the students for their cooperation while having their pictures taken, the faculty and administration for their patience and understanding when pictures were taken, and Jan-Lynn Studio for help in taking and developing pictures.

A special thanks goes to our adviser, Mrs. Young. Words cannot express our appreciation for her long hours of work and devotion to make this yearbook the best ever.

We hope you will enjoy this yearbook as much as we enjoyed putting it together.

Sincerely,

John Wall
